

"All things come from you and of your own do we give you"

1 Chron. 29:14

Giving is one way in which we remember that what we have actually belongs to God and is entrusted into our care.

To give generously is to be caught up in the overflow of God's grace, for when we give, we reflect the nature of God himself. Generosity is a discipleship decision that refuses to put money at the centre of our lives.
